Grinning Lobster

A bold grinning-lobster graphic supplied with four visually matched blank and finished model-presentation pairs.

Included in this download

- One 4667 × 4667 flattened JPEG artwork file.
- Four finished model images showing the supplied graphic.
- README, editable commercial-use license, and package manifest.
- Four blank-model presentation images.
- One blank and one finished garment presentation image.
- Product-cover and square artwork-preview images.

Digital presentation pack only. The artwork is an opaque-background JPEG, not a transparent or layered master. No print-provider preflight or physical sample is included; print suitability is not certified. No physical garment is sold or included.
